Dear Cam,

I just wanted to take this opportunity to thank you and the D2 Drumline for your involvement in the 2012 RaboDirect Rebels Winter Ball held at Crown Palladium on June 2.

I have received many rave reviews about the performance and that it was certainly the highlight of my night!

To carry the branding from match day to our inaugural ball was very important and you were able to adapt the performance perfectly. The opening performance really did set the tone for the rest of the night especially with the high energy you all brought to the stage.

Once again you were very easy to work with leading up to the event and I appreciate the creative advice you were able to contribute to ensure we had the most impact without affecting the budget. The crew as a whole were on time and very easy to work with and visually your performance is unlike anything else I have seen in the market at the moment.

I would recommend the D2 Drumline to *any* corporate event looking for an edge or impact performance, you will not be disappointed!
